Haggadah Good Feeling About This

Synopsis

Why is this Haggadah different from all other Haggadahs? This Haggadah doesn't just tell us what to do â€“ it also tells us why. Why, for example, do we need to know that five rabbis once spent all night chatting at B'nei Brak? And why on earth do we have to weigh our parsley? Other Haggadahs constantly go off on various tangents and they never signpost when they're doing this and why. This Haggadah keeps you in the loop from start to finish. Other Haggadahs are either aimed at adults or purely at children. This Haggadah will suit everyone (which means you'll all be on the same page â€“ literally â€“ throughout the service). Let's admit it: other Haggadahs manage to turn an exceptionally exciting story into a rather dreary and uninspiring one. This Haggadah livens things up a bit.

Customer Reviews

Cute little paperback addition to more formal Seder companion books. Kind of caters to the "simple son" but you can glean a few discussion points for your Seder from it.
