Court Revenue Assistant(Passbooks)

Synopsis

The Court Revenue Assistant Passbook® prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: coding and decoding information; applying facts and information to given situations; number facility; reconciling cash balances; basic legal and revenue collection terminology; and more.

Customer Reviews

Don't waste your money. I just took this test today and the material in this book did not cover anything close to what is on the actual exam. The samples in the book are much easier to complete than materials on the exam. The only thing in the book that comes close to the exam is the legal terms section, which you can get in any court study booklet. I found this book to be extremely outdated & totally useless.
