# Prentice Hall Atlas Of World History

## Synopsis

Produced in collaboration with Dorling Kindersley, the leader in cartographic publishing, this updated 2nd edition of Prentice Hall's "Atlas of Western Civilization" applies the most modern and innovative map-making techniques to present global history in all of its complexity and diversity. It presents both a broad overview and a detailed examination of historical developments.

## Customer Reviews

For its small size, this book is a well produced selection of the most important historical maps in world history. Maps are easy to read, and the text does not overwhelm the maps. Highly recommended.

used it for a history class. inexpensive purchase, shipped and arrived on time. very satisfied with purchase.

Very good!
