Best American Poetry 2016 (The Best American Poetry Series)

Synopsis

The premier anthology of contemporary American poetry continuesâguest edited this year by award-winning poet Edward Hirsch, a Chancellor of the Academy of American Poets and the president of The John Simon Guggenheim Memorial Foundation. The Best American Poetry series is âa vivid snapshot of what a distinguished poet finds exciting, fresh and memorableâ (Robert Pinsky); a guiding light for the mood and shape of modern American poetry. Each year, this series presents essential American verse and the poets who create it. Truly the âbestâ American poetry has appeared in this venerable collection for over twenty-five years. A poet of decided brilliance since his 1981 debut collection, *For the Sleepwalkers*, Edward Hirsch curates a thoughtful selection of poetry for 2016 and an Introduction to be savored. Jumpha Lahiri said of Hirsch, âThe trademarks of his poems areâ to be intimate but restrained, to be tender without being sentimental, to witness life without flinching, and above all, to isolate and preserve those details of our existence so often overlooked, so easily forgotten, so essential to our souls.â Hirschâs choices for this collection reflect the soul of poetry in America. As ever, series editor David Lehman opens this yearâs edition with an insiderâs guide and a thoughtful contemplation of poetry today.

Book Information

Series: The Best American Poetry series

Paperback: 240 pages

Publisher: Scribner; 2016 ed. edition (September 6, 2016)
