This book helped me past my law enforcement test. It's definitely worth it! I failed 3 times before I got this book. Thank you for the super fast shipping.

Thanks again for the book, I find the book very informative and I look forward to watching the DVD soon as possible. I'm very confident that the book I received will give me skills I need to pass not only the first time but also with flying colors.

I haven't had a chance to take the test. The books has a lot of good points to study and I want to be prepared as best as I can. I am not concerned with the physical part of the test but wanted to be more prepared for the book portion.
