Sexuality Education Theory And Practice

Synopsis

Sexuality Education prepares students planning to be sexuality educators and administrators, as well as seasoned teaching professionals seeking current information and successful methods for teaching elementary, secondary and college students about sexuality with confidence. Sexuality Education Theory and Practice strikes a balance between content and instructional strategies that help students assess their own attitudes and knowledge of human sexuality. Emphasizing that sex education is an integral part of a comprehensive health education program, the text is ideal for helping students from a variety of backgrounds teach sexuality to learners of all ages.
