Customer Reviews

I carry this book around with me for reference on foods and supplements suggested for managing Fibromyalgia. May not work for everyone. After discussing with my doctor, I adopted some of the suggestions in this book and have had some improvement. Bought the Bible Cure for Diabetes for my cousin. Worth a read. If you have Fibromyalgia what have you got to lose?

Everytime you thought the book was going to give you some actual advice it would instead say "I recommend you read ----- also written by me" it was the most frustrating waste of time reading that

book.

I suffer from both CFS & Fibromyalgia and wanted a biblical based book on how to treat my body and spirit. Reason for four stars is I'm on a fixed budget after losing my job of many years to CFS & Fibromyalgia and can't afford to order a lot of these supplements, but I will pray The Lord will provide!

This book is okay but he's continuously leaving stuff out and trying to get you to buy his other books.

Nothing really new that I had not already found researching for my wife who has both rather severely.

Simple, streamlined, easy-to-understand info about how these conditions start and how to address them in a natural and prayerful way.

Great book with great insight... If you suffer with fibromyalgia you will keep this book handy. It encourages and is a good reference to keep on hand.

I love it. Dr. Don Colbert always writes excellent books with a wealth of information. I would recommend this book to anyone going through chronic fatigue and fibromyalgia.
