Hilarious Hunting Cartoons

Synopsis

No one understands the challenges and frustrations of the outdoorsman's life like John Troy, and no one makes the maddening business of hunting so riotously funny. Anyone still kicking himself over a missed shot, anyone wishing that his hunting dog had paid more attention in obedience school, or anyone who has ever been confounded by the antics of a pesky squirrel will enjoy this hugely delightful collection. In typical John Troy style, we are treated to one-panel lampoons of shooters who can't hit stuffed animals, bears that beat up hunters, and ducks that make their own decoys. They're funny because they're true. Hilarious Hunting Cartoons will delight both novice and experienced hunters and will make an excellent gift for yourself or a passionate hunter you know.

Buying for my father-in-law is quite difficult because he has everything he wants and needs. If he wants it he gets it because he is in the position to do so. He loves hunting and fishing and he loves comics so put the two together and we found this. What a great gift.

Everyone that picks this book up loves it lots of laughs on every page. We have three vacation homes in the mountains I have purchased three of this book and three of Hilarious Fishing Cartoons. Highly recommended to make your day

i bought this book for my oldest son for christmas but it was my youngest who took it over and sat until he read it from beginning til end. would recommend

Great little book sure to bring smiles and a few laughs as well. Pure enjoyment for those who love the hunt and can relate. A must have.

Purchased this as a gift for a hunter, and he loves it. Said it was a great read that had him laughing. I had seen it in a catalog I didn't want to order from and was happy to find it on .

This was a present for my brother and he has enjoyed it thoroughly. I would highly recommend it--especially if you have a hunter in the family---great gift.
