Customer Reviews

If you need an access code for online content, DO NOT BUY THIS. Although the product says "New" it does not come with an access code, nor does the description mention that. I am highly dissatisfied with my experience with trying to get this access code

Very nice text. Had a version 9 but instructor switched to 10 this past semester. Not too much different, but updated with more modern terms and current events.

Easy to read, easy to navigate, and very thorough. I'd actually recommend buying it rather than renting. I have to rent it again for Spanish 102.
