NYSTCE ALST Academic Literacy Skills Test (202) Secrets Study Guide: NYSTCE Exam Review For The New York State Teacher Certification Examinations

Synopsis

Includes Practice Test Questions Get the test prep help you need to be successful on the NYSTCE Academic Literacy Skills Test. The NYSTCE Academic Literacy Skills Test (ALST) (202) is extremely challenging and thorough test preparation is essential for success. NYSTCE ALST Academic Literacy Skills Test (202) Secrets Study Guide is the ideal prep solution for anyone who wants to pass the NYSTCE Academic Literacy Skills Test. Not only does it provide a comprehensive guide to the NYSTCE Academic Literacy Skills Test as a whole, it also provides practice test questions as well as detailed explanations of each answer. NYSTCE ALST Academic Literacy Skills Test (202) Secrets Study Guide includes:

- A thorough overview of the NYSTCE ALST
- A guide to reading
- An in-depth look at writing to sources
- Comprehensive practice questions with detailed answer explanations

It's filled with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the New York State Education Department (NYSED) expects you to have mastered before sitting for the exam. The Reading section covers:

- Understanding literature
- Purposes for writing
- Types of passages
- Literary genres
- Drawing conclusions
- Reference materials
- Literary devices

The Writing to Sources section covers:

- Understanding assignments
- Understanding the topic
- Writing
- Research papers
- Argumentative writing
- Parts of speech
- Punctuation

These sections are full of specific and detailed information that will be key to passing the NYSTCE Academic Literacy Skills Test. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual NYSTCE Academic Literacy Skills Test. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our NYSTCE ALST Academic Literacy Skills Test (202) Secrets Study Guide is no exception. It's an excellent investment in your future.

Customer Reviews

I received a gratis copy of this book in exchange for my honest review. This in no way has affected my thoughts on the product. When I first opened this package, I was actually a little disappointed. The book was a bit smaller than I was expecting. Usually with these types of books, they are heavy enough to knock intruders out stone cold. This one was not a small book, by any means, but it wasn't large either. Just an average, 220 page book. That immediately put me off of the book. Then, however, I opened it up and started to actually READ the material. It is a great study guide! It breaks things down into different grammatical categories. The following is a list of some (but not NEARLY ALL) of the topics covered in this guide: Common suffixes and prefixes and their meanings; Grammatical and literary terms and their definitions; Opposing arguments and supporting evidence; Topics and main ideas; Finding the theme; etc. There is some GREAT information in this book. There is even a section on proper punctuation usage, which, as an English teacher myself, is where I find many, many students are sorely lacking. Another thing that I absolutely LOVED about this book is that is basically a mixed media publication. Yes. It is a book. But each topic includes a web address that links the reader to a very informative video explaining and demonstrating the topic being covered in that section. How freaking great is that?! Today's youth are especially hooked on visual learning and technology. This book is the perfect answer to that. If you are reading the section, and the words are kind of floating past you and not making much sense, no problem. Type the link into your browser and have someone else explain it to you!
